Application:

1. Telecommunication Network
2. CATV Network
3. Testing/Measurement Instruments Fiber To the Home
4. Data Center cabling

Features:

1. SC Type design allows use the LC Adapter in the SC panel and double the density
2. With flange and without flange available
3. High precision alignment with zirconia sleeve
4. IEC-61754-20/GR326/UL94-V0/ROHS/REACH compliance

Parameter:

Item NO.	Description	Unit	Standard
1	Insertion Loss(dB)	dB	≤ 0.2 dB
2	Repetitiveness(dB)	dB	≤ 0.1 dB
3	Interchangeability (dB)	dB	≤ 0.2 dB
4	Plug times	Times	200 times
5	Tensile strength	G	200-600G
6	Operating temperature	Celsius	-40~+85 Celsius
7	Storage temperature	Celsius	-40~+110 Celsius
8	Humidity	Celsius	95%RH (Non-Packaging)
